WK Oral and Maxillofacial Surgery Institute is one of several cooperative programs between Willis-Knighton Health System and physicians at Louisiana State University Health Sciences Center (LSUHSC). Each office is an outpatient facility of Willis-Knighton Health System, providing physician care and outpatient procedures.

Billing and financial arrangements differ slightly from those in a private physician's office.

Please review the following information and initial that you have read and understand it.

- If your insurance provider requires a co-payment, you will make one to your physician and if required, one to the WK facility. Depending on your insurance coverage, you may have an additional balance due to both the physician and/or facility. You may receive statements from both the physician (LSUHSC) and the facility (WK).
- An outpatient hospital co-payment may apply to certain procedures done in this clinic; including, ***but limited to the following procedures***: Biopsies, Bone grafts, Blepharoplasty, and Alveoloplasty. These are considered *outpatient procedures* and you are responsible for all applicable fees.
